

Jazz Ensemble

At the beginning of each day, students will have the option to participate in a jazz ensemble. These rehearsals will introduce and develop a variety of styles and performance techniques for both contemporary and early jazz literature. Students will also learn basic improvisational techniques.

Any amount of experience is welcome, and students will be grouped into ensembles accordingly. Campers may also play a different instrument in jazz ensemble than what they play in their large concert ensemble. Instruments in jazz band include: Alto/Tenor/Bari Saxophones, Trumpets, Trombones, Vibes, Guitar, Piano, Bass and Drumset. Please be sure to indicate both their concert and jazz instruments on the registration form, if applicable.

Although not required, students are encouraged to participate in a jazz ensemble. Any student who does not play a jazz instrument or is not able to be in a jazz ensemble will come to camp at 9:00 am instead of 8:00 am.

Camp Staff

Students will have the opportunity to work with talented instructors from both the middle and high school levels. In addition to ensemble directors, the camp's staff will also include local area musicians to teach sectionals, master classes, and a qualified physical instructor for recreation time.

Staff members will include:

Ben Lawson- Redmond High School

Jamie Gregory- Ridgeview High School

Kelly Mullins- Obsidian Middle School

Renee Withers- Elton Gregory Middle School

Mike La Torre- Pilot Butte Middle School

CENTRAL OREGON CONCERT BAND

Camp Information

Our goal is to provide students with the opportunity to continue their music education throughout the year. It is also the mission of this program to promote the continuation of band throughout both intermediate and high school levels. Students will receive training and performance experience in traditional concert band and sectional settings, as well as the opportunity to perform in a jazz ensemble. In addition, students will have the opportunity to participate in various social and recreational activities under the direction of a qualified physical educator. We celebrate the end of camp with a culminating performance on Friday.

Any student entering into grades 6-10 in the fall of 2017 is eligible to attend.

Students will be placed into a concert ensemble and, in the case of multiple large ensembles, they will be grouped according to age and ability. The number of large ensembles is based on total enrollment. All students will also have the opportunity to participate in Jazz Band in addition to their concert band!
