Jason Garcia, Grants Pass, OR
Kevin Soon, Hillsboro, OR
James Nowickas, Salem, OR
Travis Moddison, Ashland, OR
Brian Beck, Yakima, WA

METRO-CAPITOL LEADERSHIP ACADEMY

Camp Information

This academy is intended for students who hold a position of leadership in their marching or concert ensembles (winds, percussion, guard). Students that are interested in being a future leader are also encouraged to attend.

This academy is designed to instruct a complete "team" of leaders in a marching or concert ensemble. The focus is to create an environment where drum majors and section leaders work together in all aspects of running rehearsals and sectionals.

Although not mandatory, this experience will be most effective if a person from each section attends!

Campers will need to make their own arrangements for housing, transportation and provide their own lunch and dinner. Several hotels are available in the Sherwood area. Home stays with local students may be possible. Contact local band directors. Students must bring their own instrument, drum sticks/mallets, flag equipment and rifles. Some larger instruments can be provided per request.
